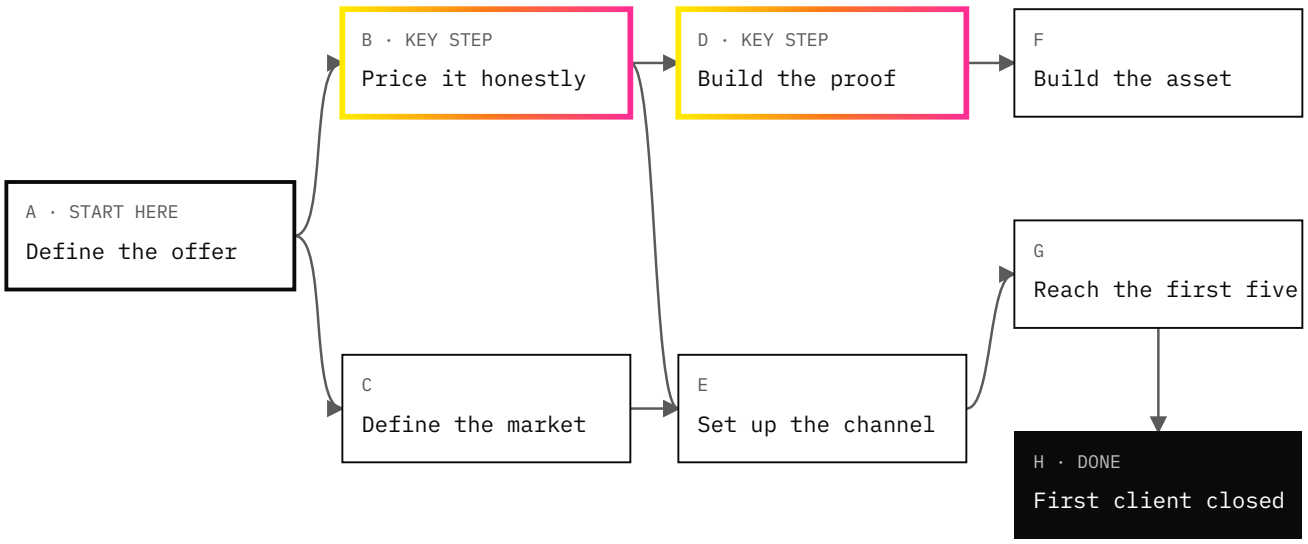
HOW IT WORKS

YOUR GOAL BECOMES A MAP.

Each step points to what it depends on. No loops, nothing left hanging. The first step is where you start; the key steps decide whether everything after them holds.

EXAMPLE · GOAL: LAUNCH YOUR OFFER · 8 STEPS



Start here. The one step with nothing in its way.

Key steps. If these slip, everything after them slips.

Done. The finish line, written down before work starts.

SEVEN QUESTIONS, AND YOU GET A MAP.

Answer these and we send back the first steps and the order that matters, before anyone names a price. The map is yours to keep, whether or not we work together.

1 What is the goal?
In your own words: what are you trying to make happen?

2 What does "done" look like?
How you will know it worked.

3 When does it need to be ready?
The date, and why that date.

4 What is already in motion?
What you have started, tried or finished.

5 What is the biggest obstacle?
The hard part, the unknown, the thing that keeps stalling it.

6 Who is involved?
Who does the work, who signs off, who has to say yes.

7 How do we reach you?
Name, where you are, email.
